***Chicopee
Comprehensive
High School***
*617 Montgomery Street
Chicopee, Massachusetts 01020
(413) 594-3534*

The Class of 1994 has left the hallways of Chicopee Comprehensive High School for the last time. Those hallways were not merely occupied by people. They were occupied by faces, by laughter, by memories. The memories, unlike the hallways will not be left behind. Behind each locker was a story, which will not soon be forgotten. Now, as we reflect on the empty hallways and abandoned lockers, many of us feel that the most important part of our lives has come to an end. In actuality, it has just begun. For every locker door that was shut, another door into the future was opened. In the coming years, we will face many challenges. Each will try our abilities and enable us to grow. The underclassmen will continue to grow and achieve as those before them did. Someday, they too will be embarking on a voyage across the sea of opportunity. Soon they will depart from Chicopee Comp. For the graduating seniors, leaving Chicopee Comp is the first step into the rest of our lives. From this point, we will take our lives "off the ground". There is no limit to what we can accomplish.

By Tom Merigan and Kurt Rakouskas

Bottom L-R: Just hangin' out!
(Russ Rakouskas); Mike
McCain catches some air.

Off The Ground

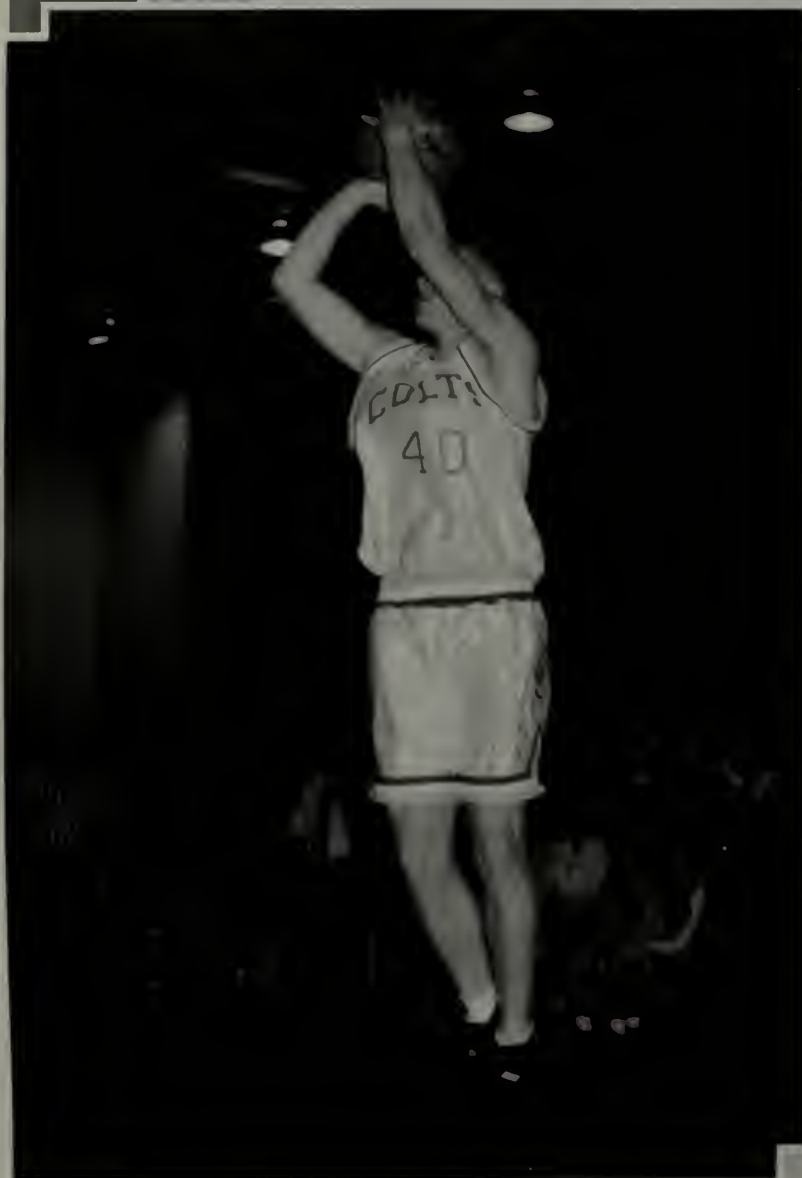

Top Clkws: Kurt Rakouskas
and Tom Merigan - Off the
ground; Jay Doray pulls a
daffy; Jeff Kosiorek
launches into his race.

Top - Bottom: Mike Fox; Serious Air! (Jessie Gagne); Matt Brice with the turn-around jumper.

Top - Bottom: James Kurtz makes a diving save; Misty Croteau midflight in her routine; Melissa Pagel.

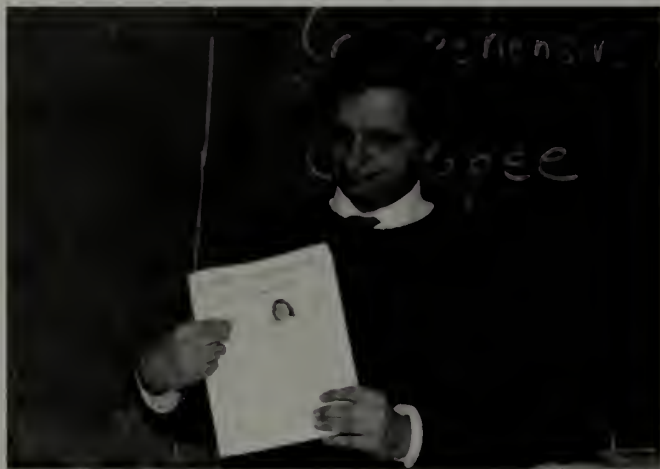

Dedication

Mr. Stachura

Dedication truly is a word which comes to mind when one mentions Mr. Walter Stachura. His contributions are very frequently overlooked by the student body. For many years, aside from teaching English, Mr. Stachura has headed the journalism class as advisor for the school paper, The Comp Chronicle. Many take for granted that ten issues of the Chronicle will be printed, without taking into account the many long hours which must be put in to the production of the paper. After receiving the stories from the journalism class, Mr. Stachura takes hours of his own time after school critiqueing the stories, fitting and arranging them on a computer, as well as developing his own pictures. In past years he has taken on the added responsibility of producing the Last Will and Testament for the graduating class, a task which requires hours in a xerox room and great amounts of patience. His tremendous concern for the student body and his countless sacrifices have led to the co-dedication of Memini 1994 to Mr. Stachura.

Dedication

Mrs. Fennessey

Rebecca Fennessey has been involved with extracurricular activities throughout her years here at Chicopee Comp. She has selflessly dedicated hours upon hours of her time to provide each student with a richer high school experience. She has served twice as a class adviser, and as a Homeroom Rep adviser. Her role as a class adviser requires her to put in great amounts of tedious work with fundraisers as well as to motivate the sometimes unambitious class. This year she took on yet another challenge as coordinator of the Mediation program, in which she attempts to settle differences among students through careful counseling and arbitration. When not advising the class or mediating, Mrs. Fennessey found time this year to help raise funds for the yearbook. Had it not been for her efforts in finding ads, this yearbook may never have been published. All this and more she has done of her own free will in an unselfish effort to help the Class of 1994. Her efforts and vivacious personality, which will forever be appreciated, have earned her this well deserved dedication.

In Memorium . . .

As we go through life, there will always be people that we encounter who are taken from us much sooner than expected. These people have touched our lives in many ways and will be greatly missed. Although death has taken them away, nothing can take away the pleasant memories we have of them. During the past year the following have passed away.

Roger Fleury

Mr. Roger Fleury was a Biology and Physics teacher here at Comp. He was one of the most loved and respected teachers in the school. He had genuine concern for all of his students and was always ready to help them in any way that he could.

Alfred Furtek

Mr. Alfred Furtek was a Math teacher here at Chicopee Comprehensive High School. He was a well respected teacher. He challenged his students in order to bring out the best in them.

Danielle Davis

Danielle Davis was a freshman at Chicopee Comp. She took part in gymnastics at the beginning of this year. Her one of a kind personality and easy smile will be missed by all, especially her close friends and family.

Class History

FRESHMAN YEAR

1990 and 1991 were particularly eventful years for the graduating class of 1994. A new chapter in our lives was written with our entrance into Chicopee Comp. As we began our high school careers, the entire world began a decade which was to be filled with dynamic changes and events. In what was perhaps one of the biggest news stories in years, the Soviet Union was shattered into separate republics in the wake of a failed coup. In the Middle East, a U.S. led coalition took up arms against Iraq and its dictator Sadaam Hussein in a successful effort to liberate Kuwait. Following a highly publicized and controversial Congressional hearing dealing with alleged sexual harassment, Justice Clarence Thomas was confirmed by the Senate in a vote of 52-48. As the AIDS epidemic worsened, the World Health Organization estimated that 30 million adults and 10 million children would become infected with the AIDS virus upon the arrival of the 21st century. In sports news, the Chicago Bulls capped off a successful season by winning their first ever NBA championship. On the college scene, the Duke Blue Devils captured the NCAA Division 1 title. The New York Giants bested the Buffalo Bills in the Super Bowl by a score of 20-19, and the Minnesota Twins snatched the World Series from the Atlanta Braves four games to three.

1990-1991

SOPHOMORE YEAR

Many changes were brought to the world during our sophomore year. The Soviet Union changed its name back to Russia. The Baltic States of Latvia, Lithuania and Estonia finally gained their independence. Hostage Terry Anderson returned home after seven years of captivity in Lebanon. A coup is attempted on the administration of Soviet President Mikhail Gorbachev. Although the coup failed, Gorbachev later resigned and was replaced by Boris Yeltsin. In Yugoslavia, the Serb-Croat War intensified.

1991 and 1992 also proved to be very historic in our own country. After the death of Supreme Court Justice Thurgood Marshall, President Bush nominated Clarence Thomas to fill the vacancy. Thomas faced a tough confirmation hearing because of charges of sexual harassment. Our veterans from the Persian Gulf War returned home while we were sophomores. We were saddened by the deaths of actor Michael Landon and writer Theodor Geissel (Dr. Seuss).

In the world of sports, basketball star Magic Johnson is diagnosed with the HIV virus. The Chicago Bulls captured the NBA Championship Title. The Washington Redskins were victorious over the Buffalo Bills in the Superbowl. In the World Series, the Minnesota Twins bested the Atlanta Braves.

1991 - 1992

JUNIOR YEAR

September of 1992 marked the beginning of junior year for the class of 1994. In November of this year, Bill Clinton was elected the 42nd President of the United States following a campaign marred with controversy and scandal. The face of the globe further reshaped itself with the separation of Czechoslovakia and Yugoslavia. In an effort to bring much needed relief to the hunger stricken country of Somalia, U.S. troops were sent by President Bush to restore order and reopen relief supply lines. The entire Mississippi Valley was flooded out for months on end as the banks of the Mississippi and Missouri rivers swelled uncontrollably. Following a lengthy standoff with agents of the Bureau of Alcohol, Tobacco, and firearms, 72 Branch Davidians - members of a religious cult led by David Koresh - perished in a fiery mass suicide at their compound in Waco, Texas. On a lighter note, Steven Spielberg's "Jurassic Park" became the highest grossing film ever at the box office. After being offered \$16 million by CBS, David Letterman left his show on NBC to become the new king of late night programming. The Chicago Bulls, led by Michael Jordan, won their third consecutive NBA championship defeating Charles Barkley and the Phoenix Suns. Montreal defeated the L.A. Kings in the race for the Stanley Cup. The Buffalo Bills were denied a Super Bowl ring for the third straight time, this time by the Dallas Cowboys. In baseball, the Toronto Bluejays became the first team outside the U.S. to win the World Series.

1992-1993

SENIOR YEAR

Our final year as students at Chicopee Comprehensive High School proved to be as historic as our first three years. We watched the suffering continue in Somalia as the various warlords there battles each other. We saw the conflict in Bosnia continue to intensify. Earthquakes and fires devastated California once again. In the courtroom, we awaited decisions on the Menendez Brothers' murder trial and the Bobbitts' sexual assault trial. As the Winter Olympics in Norway approached, potential gold medal figure skater Nancy Kerrigan was attacked. Opponent Tonya Harding was implicated in the planning of this attack. The Buffalo Bills were defeated in their fourth straight Superbowl by their opponents the Dallas Cowboys. In the World Series, the Toronto Blue Jays were victorious. Chicago Bulls star Michael Jordan retired from basketball during his prime. Tragedy struck the basketball world when Boston Celtics player Reggie Lewis died suddenly from a heart condition. In the entertainment world, we mourned the deaths of actor River Phoenix and musician Frank Zappa. Rumors circulated in the music industry that The Beatles would reunite and record again without the late John Lennon, twenty-five years after their breakup. The most important news of the year though was our graduation from Chicopee Comp.

I extend my warmest congratulations to each of the graduates. Our staff has prepared you for the challenges of the future which will be complex and exciting. You must develop a keen sense of awareness, understanding and appreciation of different world cultures, of global issues and events, which will enable our country to be competitive and accepted in the global markets. Your generation will be the beneficiaries of exhilarating biotechnological advancements which today are unheard of. Your communication with people in various countries will be broadened via computer - satellite arrangements. These technological advancements will further reinforce your need to continue your education throughout your life. As humanitarians, you will become involved in local and global issues such as international conflict, poverty, pollution, violence, abuses of human rights and how to restructure the moral values which are essential to the restoration/dignity and trust of the people. There is a definite need for society to evaluate and to assess or to establish or to accept the need for moral, ethical values and how they relate to the socioeconomic growth of our country. The restoration of family togetherness and family values is an important step to re-instill the dignity and self-esteem of our people. Cultural and ethnic biases should not be a mechanism to divide our diverse population which tends to pit brother against brother, sister against sister. Graduates, to visualize a bright and strong tomorrow, we must develop stronger, positive attitudes, stress family values, develop character of understanding, integrity, unity, the importance of positive and constructive relationships, integrity, respect and trust amongst all the people. A myriad of 'roadblocks' are factors that lead to the mediocrity of educational reform . . . Leadership must be visionary with supportive agencies as catalysts encouraging changes in teaching methodology and technologies, not for change for change sake only. Education institutes from kindergarten and probably from pre-school training must begin a process to prepare each student with the necessary academic skills to understand and to compete locally, nationally and globally. Graduates, become visionaries, become involved, establish higher goals for yourselves and your loved ones to ensure a brighter future. May you enjoy happiness, health, and success in your undertakings. You must work together to better the planet and improve the standard of living for all the people especially those who live in constant fear and oppression. You can be the catalyst for global education because you have the ability, the motivation and desire to see the benefit that it can produce.

-Mitchell S. Kuzdzal

I extend my very best wishes and congratulations to each member of the Class of 1994 on the achievement and of an important goal; graduation from high school. During your four years at Chicopee Comprehensive High School, you have been prepared to seek employment, enter the military, continue your education, or enter some form of public service. You now begin a new and exciting phase of your life. The choices you make from now on will directly effect everything you do for the rest of your lives. Make these choices with wisdom, a clear prospective of the future, and a sense of obligation to those who have placed their faith in you. My very best wishes for continued success and happiness.

Clkwise: Will Rodriguez sets up for the big play. Nate Warren calls the play. Help! I've fallen and I can't get up.

Most people know that the varsity team had a hard time coming up with a win this past season. We had a final record of 0-10. Not all of our games were total trounces. We had two games one against Minnechaug and one against Westfield in which we were confident that we were going to win, but the other team came from behind in the closing two minutes of the game to take the victory. In these two games we were picked as 20 point underdogs, and the players showed that they had the heart and the talent to play a great game of football. Our team had a lot of great players this year some of them played until they physically could not play anymore. Hopefully someday the football program will become as great as it should be.

The Junior Varsity team had one important win over cross town rival Chicopee High in their short season to give them a total record of 1-5. The Freshman team also had a win over Cathedral giving them a record of 1-8.

Clkwise: Lisa Herbert-All Western Mass runner; Comp distance runners, Christine Juchno, Jen Kwetian, and Angela Carbaugh; Comp and Cathedral square off; Erin Laflamme pulls away from Kelly Bujnicki and Jen Fredette.

The Girls Cross-country team had its best season ever. Finishing second in the pioneer Valley League, lead by Senior Captain **Buffie MacGillivray** and sophomore **Lisa Herbert**, who were both All-League and All Western Mass standouts, the Comp girls compiled a 10-1 record losing only to Western-Mass champion Amherst. Success for Comp depended on balanced scoring from the top seven runners. Every girl played a valuable role. Particularly outstanding were **Amy Deauseault**, **Rachel Besaw**, **Laura Gladu**, **Kelly Bujnicki**, and **Stefanie Binczewski**.

Five freshman-Erin Laflamme, Jen Fredette, Lisa Depot, Angela Carbaugh, and Kate Kozikowski, Two sophomore-Jen Kwetian and Katie Bartosz, and Junior Christine Juchno were all new members of the team. They all made considerable progress and contributed a great deal to the team's success.

The future looks bright with only two seniors **Buffie MacGillivray** and **Laura Gladu** graduating.

By Coach Philip Airolidi

Clockwise: Kevin Hurley lunges forward for a strong finish; Matt Menard snoozes before race time; "And they're off!!!"; Matt Brach, Fred Ross and Mike Diaz form a strong pack.

For the boys' Cross Country team, this season served mainly as a rebuilding year. Many new faces, including that of first year coach **Roger Bowden**, appeared on the team during the 1993 season, bringing with them strong hopes for the future seasons. Freshmen **Matt Brach** and **Brian Jodoin** burst on the scene showing high potential for future success with **Greg Hamelin**, **Pete Menard**, **Mike Paquette**, and **Karl Collinge** close behind. Sophomore **Kevin Hurley** helped lead the team to its two victories, including a decisive 20 to 41 win over Chicopee High. **Steve Drapeau**, also a sophomore, showed vast improvements in his running, scoring several points for the Colts this season. Junior **Matt Menard**, a second leading runner on the team with **Joe Boisseneault** and **Fred Ross** will be likely to form the main pack for the Colts next year. When healthy, **John Paquette**, also a junior, was able to bring several high placing finishes to the team. The seniors of the team, **Dan Lusty**, **Mike Diaz**, and **Mike Stefanik** showed great improvements in their times over last year, while captain **Kurt Rakouskas** sat out most of the season with a broken collarbone. Despite this season's rather disappointing record, next year the Cross Country team can definitely be counted on to improve its season.

By Kurt Rakouskas

Karyn Laroche; Sabrina Gagnon.

The gymnastic team this year consisted of twenty members and was coached by Sandy Barrett. The team captains were seniors-Marsha Crawly, Jennifer Nadeau and Tina Perreault.

The team did rather well this season, placing second at most meets. In one particular meet the team lost by a fifth of a point, which isn't even a pointed toe.

The First Annual Invitational meet was at Central High School. Our Chicopee Comprehensive Team placed first in its division, this meet included all of the teams in the league.

This years team consisted of some gymnasts who had more experience than others, all in all the whole team performed well.

The 1994 boys varsity soccer season featured "The Big Turnaround" after finishing the "93" season 2-11-4. The now experienced sophomores led by a small but talented group of seniors surprised all their soccer fans by compiling a 9-7-1 record. Inspired by their coach Bill Davis, they showed that this team was a true "Comp" team. The season featured a dramatic 1-0 triumph over Ludlow High's soccer power. Chicopee Comp's Varsity Team consisted of Tri-Captains: **Todd Berger, Joe Malone, and Bob Kaczmarczyk**, and also four more seniors: **Jim Beaudoin, Paul Gallagher, Jay Kidder, and Sean Dunne**. Two juniors: **Steve Weaver and Dale Craven**. Five sophomores: **Aaron Burgess, Mike Chouinard, Bob Chouinard, Keven Deren, and Eric Richards**. One freshman: **Shawn Duffy**.

The Boy's J.V. Team coached by **Tom Rivet**, Finished with a 6-7-1 record. The team showed constant improvement and eagerly awaits next season, as several key players will be counted on to play with the varsity team next year.

By Bob Kaczmarczyk

The 1993 fall season was a turning point for us. This year was different because we were moving up. Our team moved up the field and up in the rankings. Our hard work and dedication lead us to victories and started to build up our reputation as a winning team.

The Jr. Varsity was also hard working. They acquired the knowledge and experience on playing on the high school level. The girls showed much ability and look forward to a promising season next year.

By joining this team we were introduced to a great coach and new friends. Above all we just went out, played the game, and had fun. So to everyone, Good Luck next year and in the years to come. We'll see you soon.

Clkws: Tom Merigan tears up the G.S. course; Scott Osetek makes his way down the slalom course; Mike McCain kicks up snow on the G.S.; Jay Doray.

The Chicopee Comp Ski Team is one of the most unique organizations in the entire school. When I think back on my four years as a member of the ski team, only one word comes to my mind. Fun. Actually, the word "cold" comes to mind too. However, fun is the word that best describes the goal of the Comp Ski Team. Often, there is a greater competitive spirit over a good seat on the bus as opposed to a good spot in the standings. Every week, we hit the slopes at Berkshire East and race with our best efforts. Sometimes, (actually most of the time) that isn't quite enough to put us in first place. None of us ever get angry about this, though. Our team competes in a very low pressure atmosphere. If we don't finish well, we know that we gave it our best shot and that we had fun doing it. Occasionally, miracles do happen. Sophomore **Mike McCain** came from out of nowhere to become the Boys' Team's best skier. Mike finished in the top ten several times after skiing well through some "loose" gates. Another sophomore, **Jay Doray**, also amazed us by placing slightly below McCain in the standings. Senior **Tom Merigan** and sophomore **Scott Osetek** rounded out the boys' top four skiers. Both Merigan and Osetek battled for positions in the top twenty throughout the course of the season. Key contributions were also made by **John Gajowski** and **Joe Veronikowski**. Senior **Heather Sabourin** once again led the girls' team. Heather often performs quite well during meets. This year she found herself at the state competition again. Sophomores **Heidi Sabourin** and **Pam Gagnon** weren't far behind Heather in the standings. Hopefully, we'll improve more next year. If we don't, I'm sure nobody will lose their tempers. Maybe someday we'll be competitive enough to make to States as a team again. Until then . . . Will whoever is taking the bags on the bus get me a good seat towards the back?

By Tom Merigan

Clkws. Top: Coach Joan Boratis; Liz Joly looks to pass; Sarah Budd tries to score; Seniors Sharon Rabinsky, Dara DeGray and Damaris Verdejo. Bottom L-R: Dara DeGray; Sharon Rabinsky.

Clockwise: Damaris Verdejo looks for an opening; Stacy Riberdy races down the court; Carly Martineau dribbles the ball.

This year's basketball season got off to a rocky start after a couple of tough losses but we continued working hard and it paid off in our first victory, an 18 point decision over Central High. Behind the leadership of seniors **Dara Degray**, **Sharon Rabinsky**, and **Damaris Verdejo**, the team demonstrated intensity and team spirit which lead to more great games and exciting victories including the upset of the defending Western Mass and State Champions. The team really started to come together and play intensity as a team. It wasn't the efforts of one or two individuals that made the season a success, everyone had their own role. Whether it was to score, to assist, to rebound, or play great defense, everyone supported one another all the time. Coach Boratis really helped us along the way with her support and gave us the confidence we needed to become the team we always knew we could be and to pull through in the big games. She believed in us and taught us to believe in ourselves and each other, and we would like to thank her for that. We'll miss the seniors who are graduating this year. We appreciate their commitment, and we hope to continue our success next year.

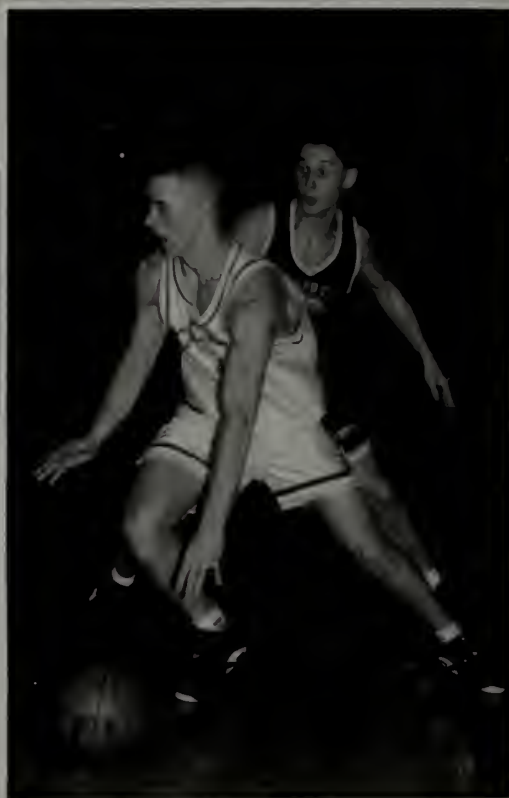

By Amy Brogle

Clkws: **Jolon Makowski** makes a lay up; **Sean Sweeney** moves into a defensive position.

The boys varsity basketball team finished the season with an 11-9 record, sharing the valley wheel title with longmeadow. The Colt's nucleus consisted of eight seniors and a junior. Comp started off 2-1, beating Ludlow and Amherst. Guard **Sean Sweeney** hit a 3-pointer at the buzzer for a 1-point victory. At Amherst, they lost the next six games. including Central, Cathedral, and Holyoke. Comp then went a six game winning streak and won nine out of its last eleven games. The Colts leading scorers were forwards **Jolon Makowski** and **Matt Brice**. **Makowski** led the team in three's and **Brice** controlled the boards. Two-guard **Jeff Nentwig** put up some big numbers in the second half of the season, including a 20-point game. **Jeff Francis'** fearless attitude helped Comp on both ends of the floor and he led the team in hustle. Guard **Brian Warchol** led the Colts from the free throw line with 86%. Like **Sweeney**, **Warchol** hit a game winning, buzzer beating, 3-pointer, at Westfield. Centers **Chris LaBreck** and junior **John Paquette** were the shot blockers and rebounders in the middle. Although he didn't dunk in a game, **Nate "sky" Warren** played very solid inside for the Colts. The J.V. team finished the season with a 5-15 record.

Clkws. Mike Ostrowski steals the puck; Dan Galica races down the ice; Ron Boulanger and Paul Gallagher; Matt Menard.

The hockey team finally had a winning season this year. This year's team was helped by the maturity and leadership of the ten seniors. Of course, you can not forget the coaching, headed by Mr. Roger Bowden. Mr. Bowden was assisted by defensive coach Mr. Badone. Excellent goal tending and defense also added to the success of the team this season, along with the offensive talent of some of the freshmen. The forwards did a good this year, putting the puck in the net and helping to keep it out of ours. Although there were some tough losses, the hockey team did an overall good job this year.

Clkws. Top: Boys' coach Mike Dubilo; Girls' coach Donna Kennison; Boys' captain Scott Herbert; Girls' captains Kim Chaban and Buffie MacGillivray. Bottom L-R: Sarah Baraboni; Jeff Kosiorek; Lisa Herbert.

SWIMMING

The boys swim team had an outstanding season this year. Coach **Mike Dubilo** trained the team hard helping them tie for their division title and place 5th overall at Western Mass. These accomplishments were made by hard work, team spirit, and determination. While doing all of this, the team still remembered to have fun. **Sean Purcell, Andy Farr, Mark Heishman, and Dan Meade** improved their strokes, turns, technique, and stamina throughout the season. This helped their team with all of its victories.

Other swimmers such as **Bogdan Bryda, Scott Herbert, Jeff Kosiorek, Shawn Maliga, Jason Lapierre, Dan Mclean** and **Robert Peters** qualified to swim at Western Mass. **Jeff Kosiorek** placed 1st in the 200 and 500 freestyles. **Dan Mclean** placed 7th in the 200 I.M. and 9th in the 100 Breaststroke. **Jason Lapierre** placed 13th in the 50 freestyle. **Scott Herbert** placed 3rd in the 200 I.M. and 1st in the 100 Breaststroke. The 400 freestyle relay team placed 3rd. Some swimmers will swim at State Championships.

Next year's team looks promising since they are only losing one swimmer this year. But all new swimmers are welcome. Hope to see you next year.

Clkws.: Dan Mclean makes a diving start to his race; Kim Chaban comes up for air.

Swimming is dedication, hard work, and a challenge. Some people say, "Swimming, oh, that's easy". Well these people should try a swim practice at Comp with coach **Donna Kenneson**. This year 14 girls swam for Comp, of which only 3 or 4 had competitive experience. This young team proved to have the desire to work hard and the dedication to take the swimming challenge. With this work and dedication they won 2nd place Division C swimming. The girls learned competitive starts and turns rapidly, they improved their stamina and stroke technique quickly. They pulled together helping each other with every little thing.

Times also dropped steadily throughout the season. **Lynn Schneeweis** dropped almost 35 seconds. **Lisa Herbert** dropped 10 seconds in the 100 yard Breaststroke. **Buffy MacGillivray**, **Kim Chaban**, **Heather Bessette**, **Stefanie Miller**, **Misty Croteau**, **Kelly Gallarno**, **Any Bissonette**, **Karen Senk**, and **Chris Burns** collectively dropped a total of 1 minute and 20 seconds in the events they swam.

These are only a few of the achievements of the girls swim team. Two of the swimmers, **Laura Barabani** and **Sarah Barabani** qualified for individual events at Western Mass. Laura placed 5th and 8th in her events dropping a total of 8 seconds off of her times. **Sarah Barabani** placed 3rd and 9th dropping 7 seconds from her time.

The Chicopee Comprehensive School Cheerleaders have accomplished many goals this year. In the fall, we competed in a regional competition which qualified us for the National Cheerleading Championships in Orlando, Florida. In the past this experience has not been an honor and a privilege, but rewards us with the chance of competition against the top teams in the country. Our competition season intensifies in March with the defending of our State Championship Title at Spring States. Our Junior Varsity squad is also preparing for competition season and in March they will also attempt to defend their Junior Varsity State Championship. Both the Varsity and Junior Varsity squads represent hard work, perseverance and determination to be the best.

D R A M A

The Chicopee Comprehensive Drama club has always been, and perhaps always will be, one of the closest knit clubs in the school. The Club is always has large membership numbers, however whenever a play or other performance is announced the numbers are less the conducive to large shows. Even so, the club has its dedicated members, it is these that star repeatedly in the club's performances.

Of the large number of students seen on these pages a few of them actually appear in plays. The others are delegated to jobs that receive no glory, no awards. These are the members that make our performances what they are. This fall some of these students were acknowledged at MacDuffy's School in Springfield. The club attended a competition and received a few awards for technical aspects, giving these individuals the recognition they deserve.

Students form a "Circle of Death" during Drug Awareness Week.

Dan LaDuke takes part in Drug Awareness Week.

Peer Education

Peer-Education is a group of students who join together to inform their peers about the negative effects of drugs, alcohol, and smoking. They also teach about self-esteem and proper decision making.

Throughout the year Peer-Ed was involved in many school and citywide events. In October the Peer-Ed team and advisor Joan Boratis organized Drug Awareness Week. Speakers had brought in videos that were shown and presentations were made. The highlight of this week was "Dead Day". Students were randomly selected to paint their faces white to represent what happens when people drink and drive. The event made a large impact.

Peer-Ed also sponsored a week-long volleyball tournament through which students competed and played to show that they could have a good time without drugs and alcohol.

The Peer-Ed works hard to set a good example by signing a contract that says they will abstain from drugs, alcohol, and tobacco products. They work hard for their school and community, and I hope that more people will stand up with them and "JUST SAY NO".

JOURNALISM

Journalism is a challenge that required a lot of hard work, time, and dedication. Many hours of work are put into each issue of the paper, both in and out of school. Between finding story ideas, interviews, research, and writing the actual story a reporter's job never seems to be done. It's all worth it, though, when you are finally able to see your story in print. The one thing that I find the most gratifying about journalism is what makes it the most difficult, the job of being editor-in-chief. Even with all the paperwork and deadlines it's one of the best things I've ever done. I enjoy working with everyone to help form story ideas and give suggestions on story writing.

With the help of **Mr. Stachura** and my editors the work always gets done and deadlines are met. To me, journalism means making the student body aware of the many issues in today's society. I firmly believe that the Comp Chronicle achieves this by confronting issues concerning young adults today -ranging from AIDS to helping with the college search. The job of a journalist is to inform and to open up the minds of its readers. If we have succeeded in opening up the mind of only one student, then we have done our job as true journalists.

/N.H.S.

National Honor and Pro Merito Society members are students who excel both in and out of the classroom. These students must maintain an average of an 85 or better to be on N.H.S. while Pro Merito members must maintain a minimum average of a 90. Once a member, the student must devote 20 hours of his or her time towards community service. There are no specific activities that members must participate. Each individual chooses how they will spend their time helping out their community.

As an organization, N.H.S. volunteers monthly at the Chicopee Soup Kitchen, works closely with the American Red Cross in organizing a Spring and Fall blood drive, and raises money for scholarships.

Academic Decathlon - Back Row: Advisor Mr. Steve Jendrysik, Jasmin Morash, Christen Kavanaugh. **Front Row:** Mike Fontaine, Mike Diaz, Tara Kavanaugh, Adam Pudelko.

Debate - Back Row: Advisor Mr. Steve Jendrysik, Adam Dubilo. **Front Row:** Adam Pudelko, Mike Diaz, Mike Fontaine, Jasmin Morash.

Under advisor **Mr. Jendrysik**, there are a few academic extracurricular offerings. These include the debate team, the As Schools Match Wits Team, and the Academic Decathlon team.

The debate team had an average season debating the topic of comprehensive national health care. Due to inexperience, there have been a few losses, but the team fared almost as expected. They meet weekly during the winter to debate other schools and are led by senior captain **Michael Diaz**.

The As Schools Match Wits Team fared well with three returning members. As they did last year, the team won their first two matches. The first was a close match against St. Mary's and the second against St. Joseph's Central. Unfortunately, the team lost their final match to Pittsfield in a match that was decided in the final few minutes disqualifying the team from the playoffs. The team is lead by senior captains **Michael Diaz** and **Matt Balthazar**.

The Academic Decathlon team competed last November at Pittsfield with a respectable performance. The team brought home two medals won by senior **Michael Diaz**, a silver in economics and a silver in science, and one medal won by junior **Michael Fontaine**, a bronze in science.

By Michael Diaz

Everytime I begin to think of the most memorable experiences of my high school career, my memories of my activities in both the Chicopee Comp Concert and Marching Bands fill my mind. Although we are often overlooked by many speaking of school activities, we are a team comparable to any other. Our driving force is our commitment to our musical education and we are inspired by one man, Mr. William Sittard. Mr. S. is always there when we need him, both as an excellent musician and as a generous and understanding teacher. He treats us all as adults and imparts his confidence in our abilities.

Although our numbers and facilities are limited, we have achieved success in our endeavors. Often the audience does not realize our accomplishments because they cannot see the smile on Mr. Sittard's face when we have done well, but it is that smile that we will always remember when we think about that small portion of our lives called high school. It is those moments at the end of a performance when we see the pride Mr. S. has in us and we will never forget him, because of him we have learned one of the most treasured lessons there is . . . WE DO NOT USE MUSIC, WE SERVE IT.

As office aides, we help out Mr. Alfred Pinciak or Mr. Stanley Kozikowski. We help out by either calling down the troublemakers in the school or by addressing letters to parents to let them know what kind of trouble their children have gotten themselves into. We go down to the office during our study periods and do any extra work that they need us to do. If there is no work for us to do, we are able to do any homework we have. If this is the case, then we treat it as any other study period, but most of the time, there is a ton of work.

By Sharon Rabinsky

As a library Aide there are many things you learn to do. First is to learn how the books are put away and how to find books on special subjects quickly. This comes in very handy when you go to college and you know how they put their books together. You are able to get in there, get the books you need fast and immediately get to work instead of spending hours looking for a book.

Also as a library aide we know how to use all the library's special equipment in order to make the library more efficient. Such as using copying machines, raising the microfiche and microfilm. While I work there, I use the computer to look up books that are missing or checked out. Being able to do all that, helps the librarian out when he or she is involved with another activity. We are able to help people using the library to find books or to use one of the computers or references.

The last thing we do is run errands for the librarian. We bring letters, slips, and other little things to help make the library more enjoyable. Being a library aide is fun and enlightening. While learning how to use the library we are at the same time giving the librarian ideas on how the students feel it would be fun and educational at the same time.

*Student
Life*

Top - Bottom: Kerrie McSweeney and Kim Vann; Andy Laplante; The mad dash out.

This year, there was quite a controversy in the student parking lot. Students took it upon themselves to disregard the lines provided for them and made their own spaces, by parking any which way they pleased, taking up three to four spaces a car. This continued until the administration informed all students that anyone's car parked beyond the given lines would be towed away.

Due to all the snow we received this year, an old pastime turned into a new school sport here at Comp. Donut practices were held daily in the parking lot. However, lack of funds resulted in a discontinuation of the team.

BETWEEN THE LINES

Clkws: Dara DeGray, Jessica Geoffroy, Erika Anderson; Wayne Butler, Jay Lapierre, Jeremy Procon; Carl Picharillo, Phil Meija.

A best friend is a person who is always there for you, they listen to you, and they help you.

A best friend will always give you advice, whether you want it or not. They will always tell you the truth (even if it might hurt you).

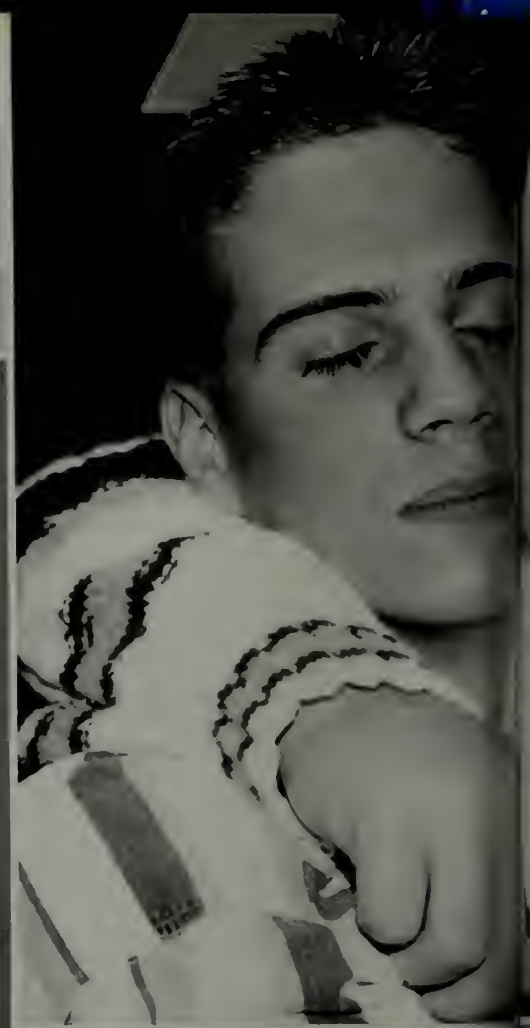

Best friends don't get mad at each other over little, unimportant things. They enjoy each other's company, and it doesn't matter how much time they spend together.

A best friend is someone who you feel comfortable with, who you can confide in and show that they won't tell anyone. They are people who can keep secrets, someone who cares, and always understands.

To be a best friend takes all of this. You just can't walk up to someone and say we are going to be best friends. You must connect with them.

A best friend is found when you least expect it.

F R I E N D S

Top - Bottom: Mr. Boulais takes the "Kiss the Fish" contest hook, line, and sinker; Mismatching is nothing new for this guy! (Tim Carriveau); Explain this one Kris! (Kris Shumsky)

Ask anyone to write about school spirit and they'd probably say, "Do What?!" and wonder what to write. The best way I know how to define it is the participation in school activities to support your school and classmates.

This year there were only two rallies, two is better than nothing. They were the Sports Rally, held outside, and the Spirit Week Rally. These brought with them some excitement and laughter. Especially looking at all the signs made to decorate the Gym. Tradition lost?

The Homecoming Dance had a good attendance. Weren't the Powderpuff Cheerleaders funny? Tradition lost?

Congratulations to the girls who got together to play a memorable Powderpuff Football game. Tradition kept! Remember all those late night dinners where only eggs were on the menu.

Attending games has to be the easiest school spirited act to do and I bet you didn't even realize you were doing it. Supporting the teams brought everyone together to cheer them on and experience their victories and hardships.

SCHOOL SPIRIT

Clks: Jay Kotfilla, Jaime Laflamme, Kerrie McSweeney, Erika Anderson, Dan Lusty, Celeste Chartier; Jen DeJordy; Frosh English class.

Besides sports, clubs, and friends, the main purpose of school is academics. Academics is the seven class periods which each last forty-five minutes. That forty-five minutes seems to last at least two hours. After third period we get a much appreciated lunch which seems to go by in two seconds.

The classroom scene is serious with the intention for the students to learn. This may sometimes be difficult, like in the winter when there's no heat or in the spring when it gets too hot.

The purpose of academics is not the fun and parties of high school, rather it is to prepare you for the real world, whether you choose college or work. It is important to do well in academics so that you may be successful in the future. Remember Mr. Kuzdal's famous words of advice, W-O-R-K, work.

By Erika Anderson and Dara DeGray

Clkws: Russ LePage, Bill Riley, Andy LaPlante, and the fish;
Alison Sawyer; Charles Abrams, Joe Boisseneault; Scott
Osetek.

ACADEMICS

Top - Bottom, L-R: The Senior Crew at the Cotillion; Erika Anderson, Mrs. Fennessey and Mr. Pinciak heat up the dance floor; Christy Gagne and Bob Kaczmarczyk; Katie Croteau; Kyle Boydston and Katie Niemiec; Jolon Makowski and Erika Anderson.

Every year Chicopee Comp holds a number of semi-formal and formal dances. Among these dances are the Winter Cotillion, Her Dance, Junior and Senior Proms. At these dances there is a social hour in which everyone gets their pictures taken with his or her date as a remembrance. Then immediately following this is dinner. But the best part takes place after you digest your food, everyone makes their way to the dance floor and boogies for the remainder of the time. These occasions are great social gatherings for students and faculty.

YEARBOOK

This year the yearbook was reorganized, revised, and revamped. Perhaps the biggest change was the addition of the underclassmen portraits. We feel that this change helped give more students a chance to be involved in what should be a school-wide publication. We did our best to revise every aspect of the book. The pages were designed to mold a new personality for the yearbook.

The staff of Memini '94 has put a great deal of effort into what we consider to be one of the best yearbooks published by Chicopee Comp. Staff members temporarily gave up their time, their minds, and any remnant of a social life. We hope the yearbook provides you with many memories of your years here at Chicopee Comp.

Mr. Raymond Boulais

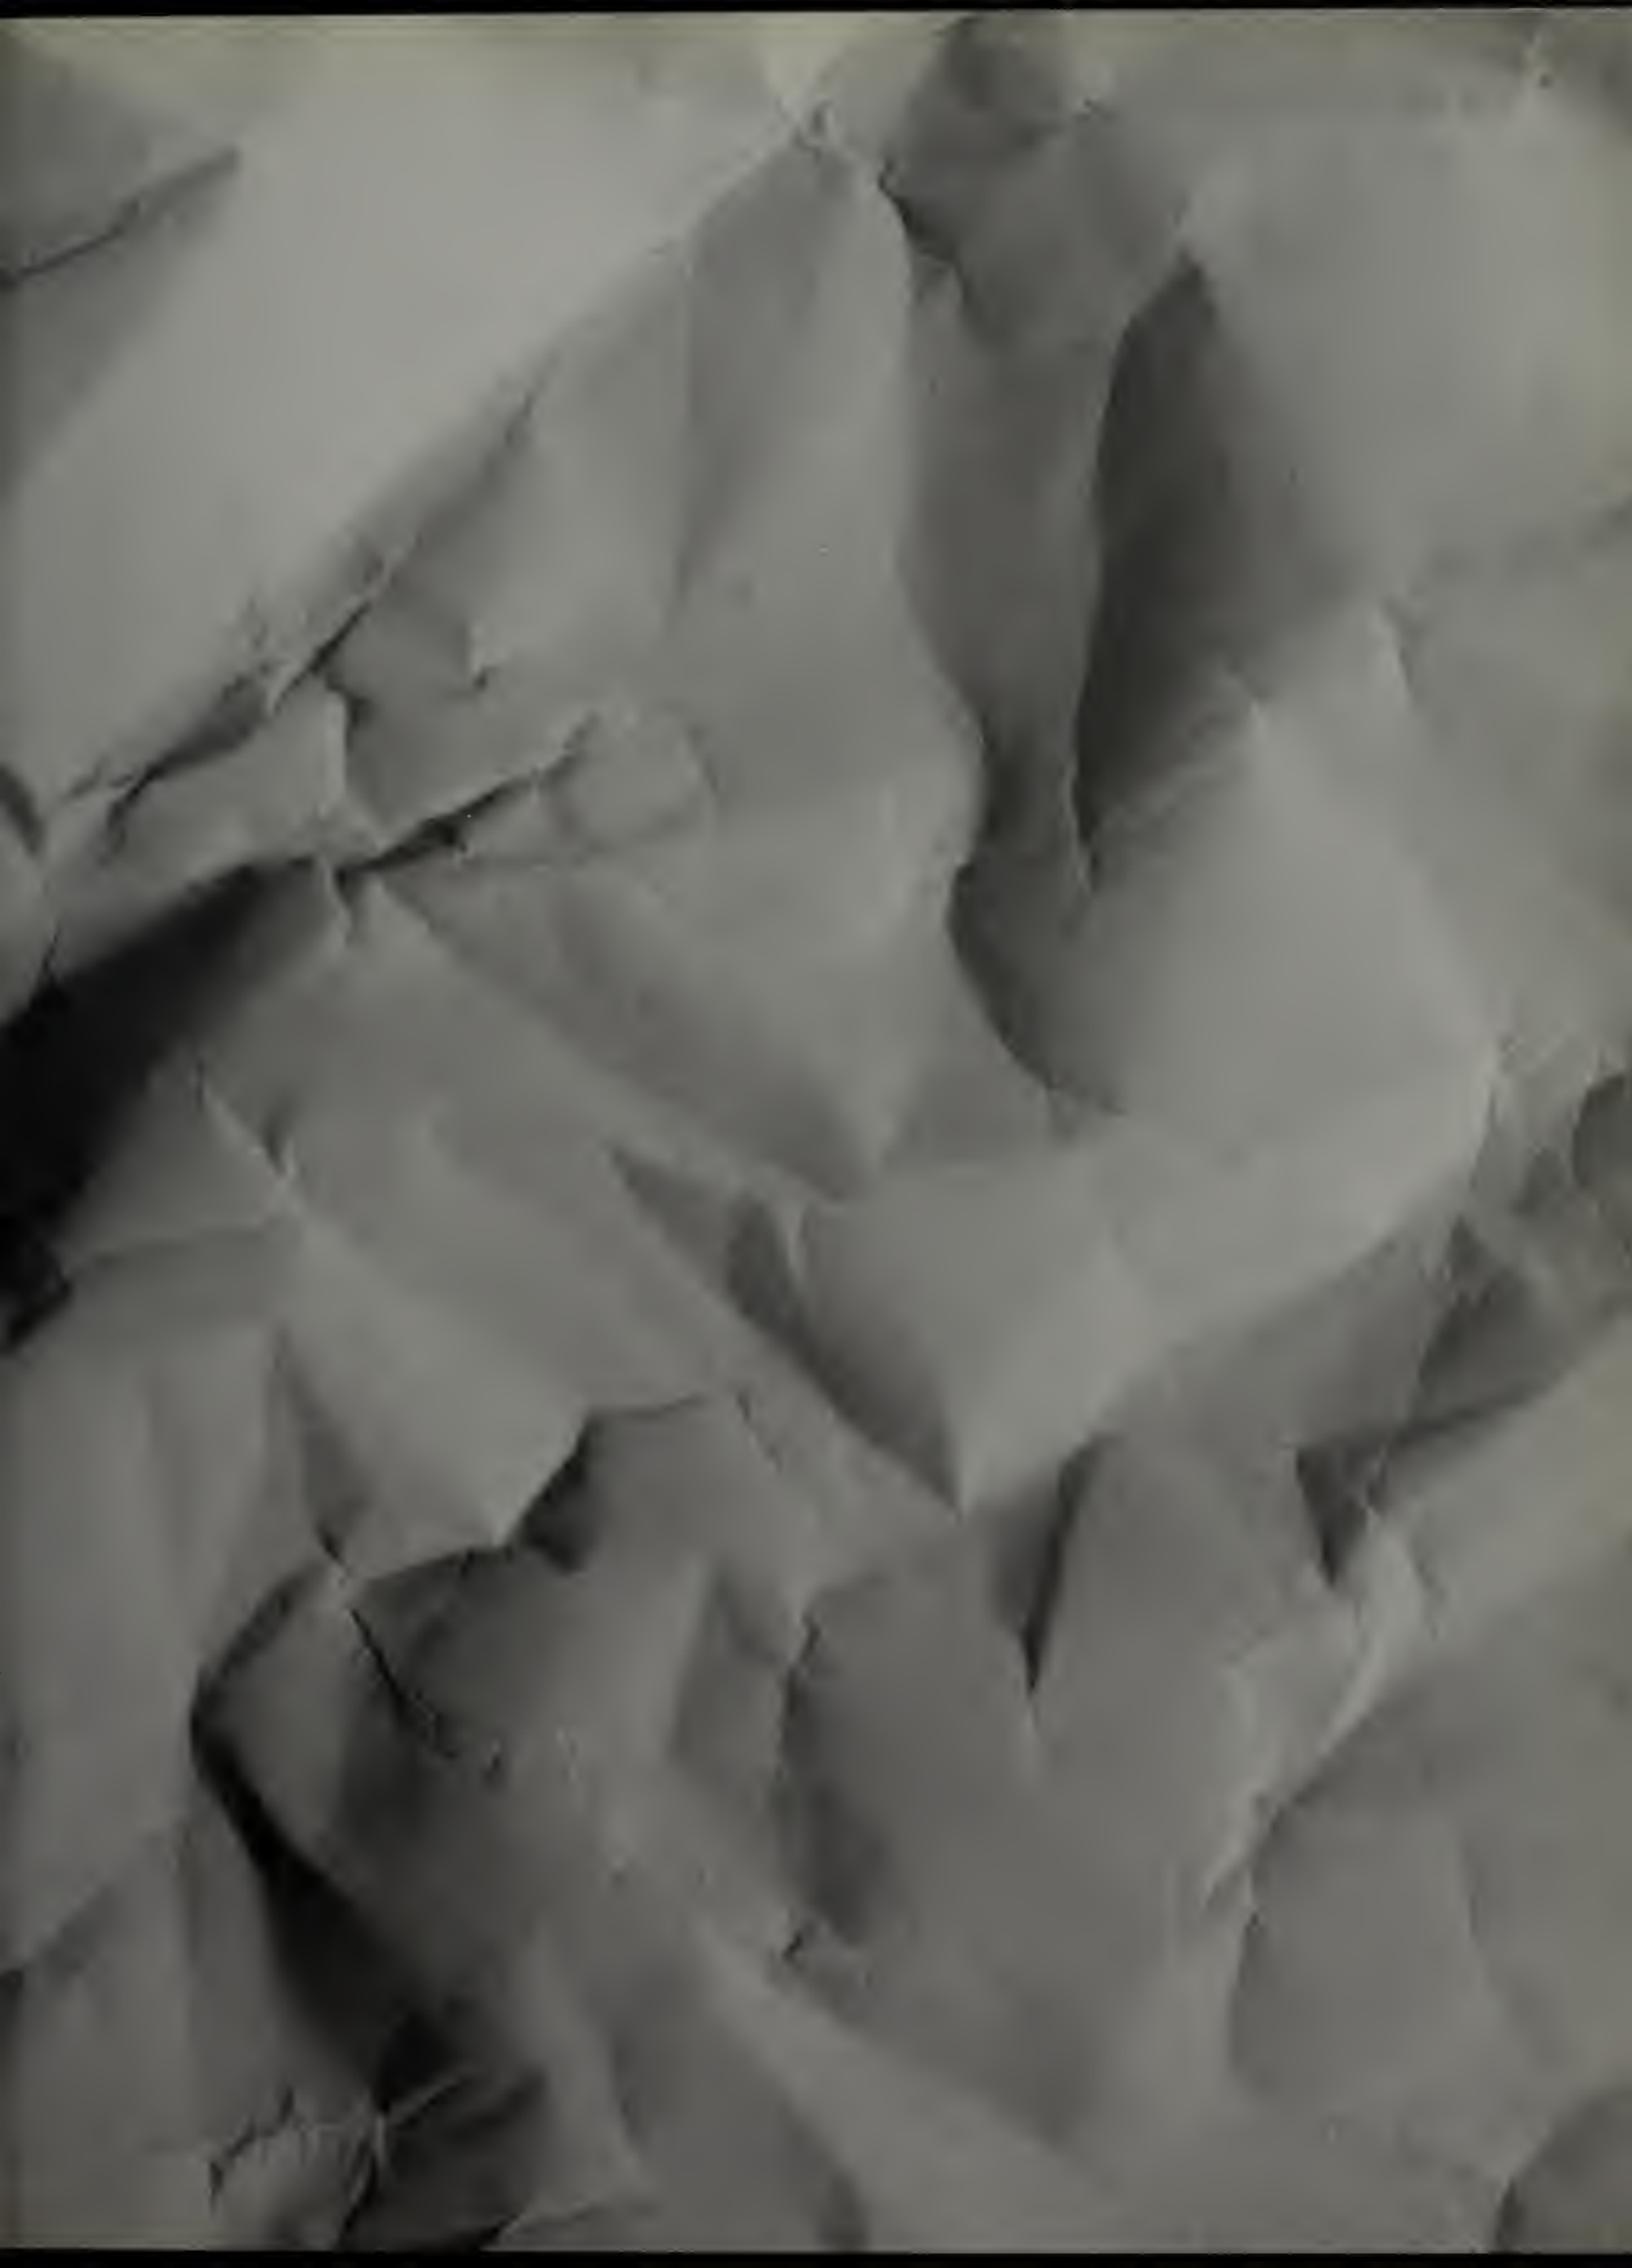

Memini. In Latin, this word means "I remember." Therefore, Memini is a very appropriate title for a yearbook. We certainly will remember all that happened during our four years at Chicopee Comprehensive High school. Through this yearbook we have attempted to preserve for you the memories of a time that is considered to be among the best in our lives. It was a time filled with changes. The world changed . . . The country changed . . . We changed. Mapmakers around the world found themselves with more work than ever. The hunger for independence split apart the Soviet Union as the communist regime was toppled. We witnessed a war in the Persian Gulf during our freshman year and a war in Bosnia during our junior and senior years. The United States was not without changes. After one term in office, president George Bush gave way to the administration of Bill Clinton. On a local note, we saw record amounts of snowfall. Finally, we will remember changes that each of us experienced here in Chicopee Comp. We tried to capture each of these changes to the best of our ability. The memories of the changes and all the happy times, like waves that rush to the shore and invigorate the dry sand of a deserted beach, will flood our minds when we are older and remind us of a time when life was much simpler. We wish each of you the best of luck in whatever path you may choose to get off the ground. *Meminisse est vivere sed oblivisci est moriri.* (To remember is to live but to forget is to die.)

During the past year, there have been many people who contributed to the production of this yearbook. At this time, we would briefly like to name just a few of them. We apologize if we left anyone out, but we are reasonably sure that we didn't, as you may notice.

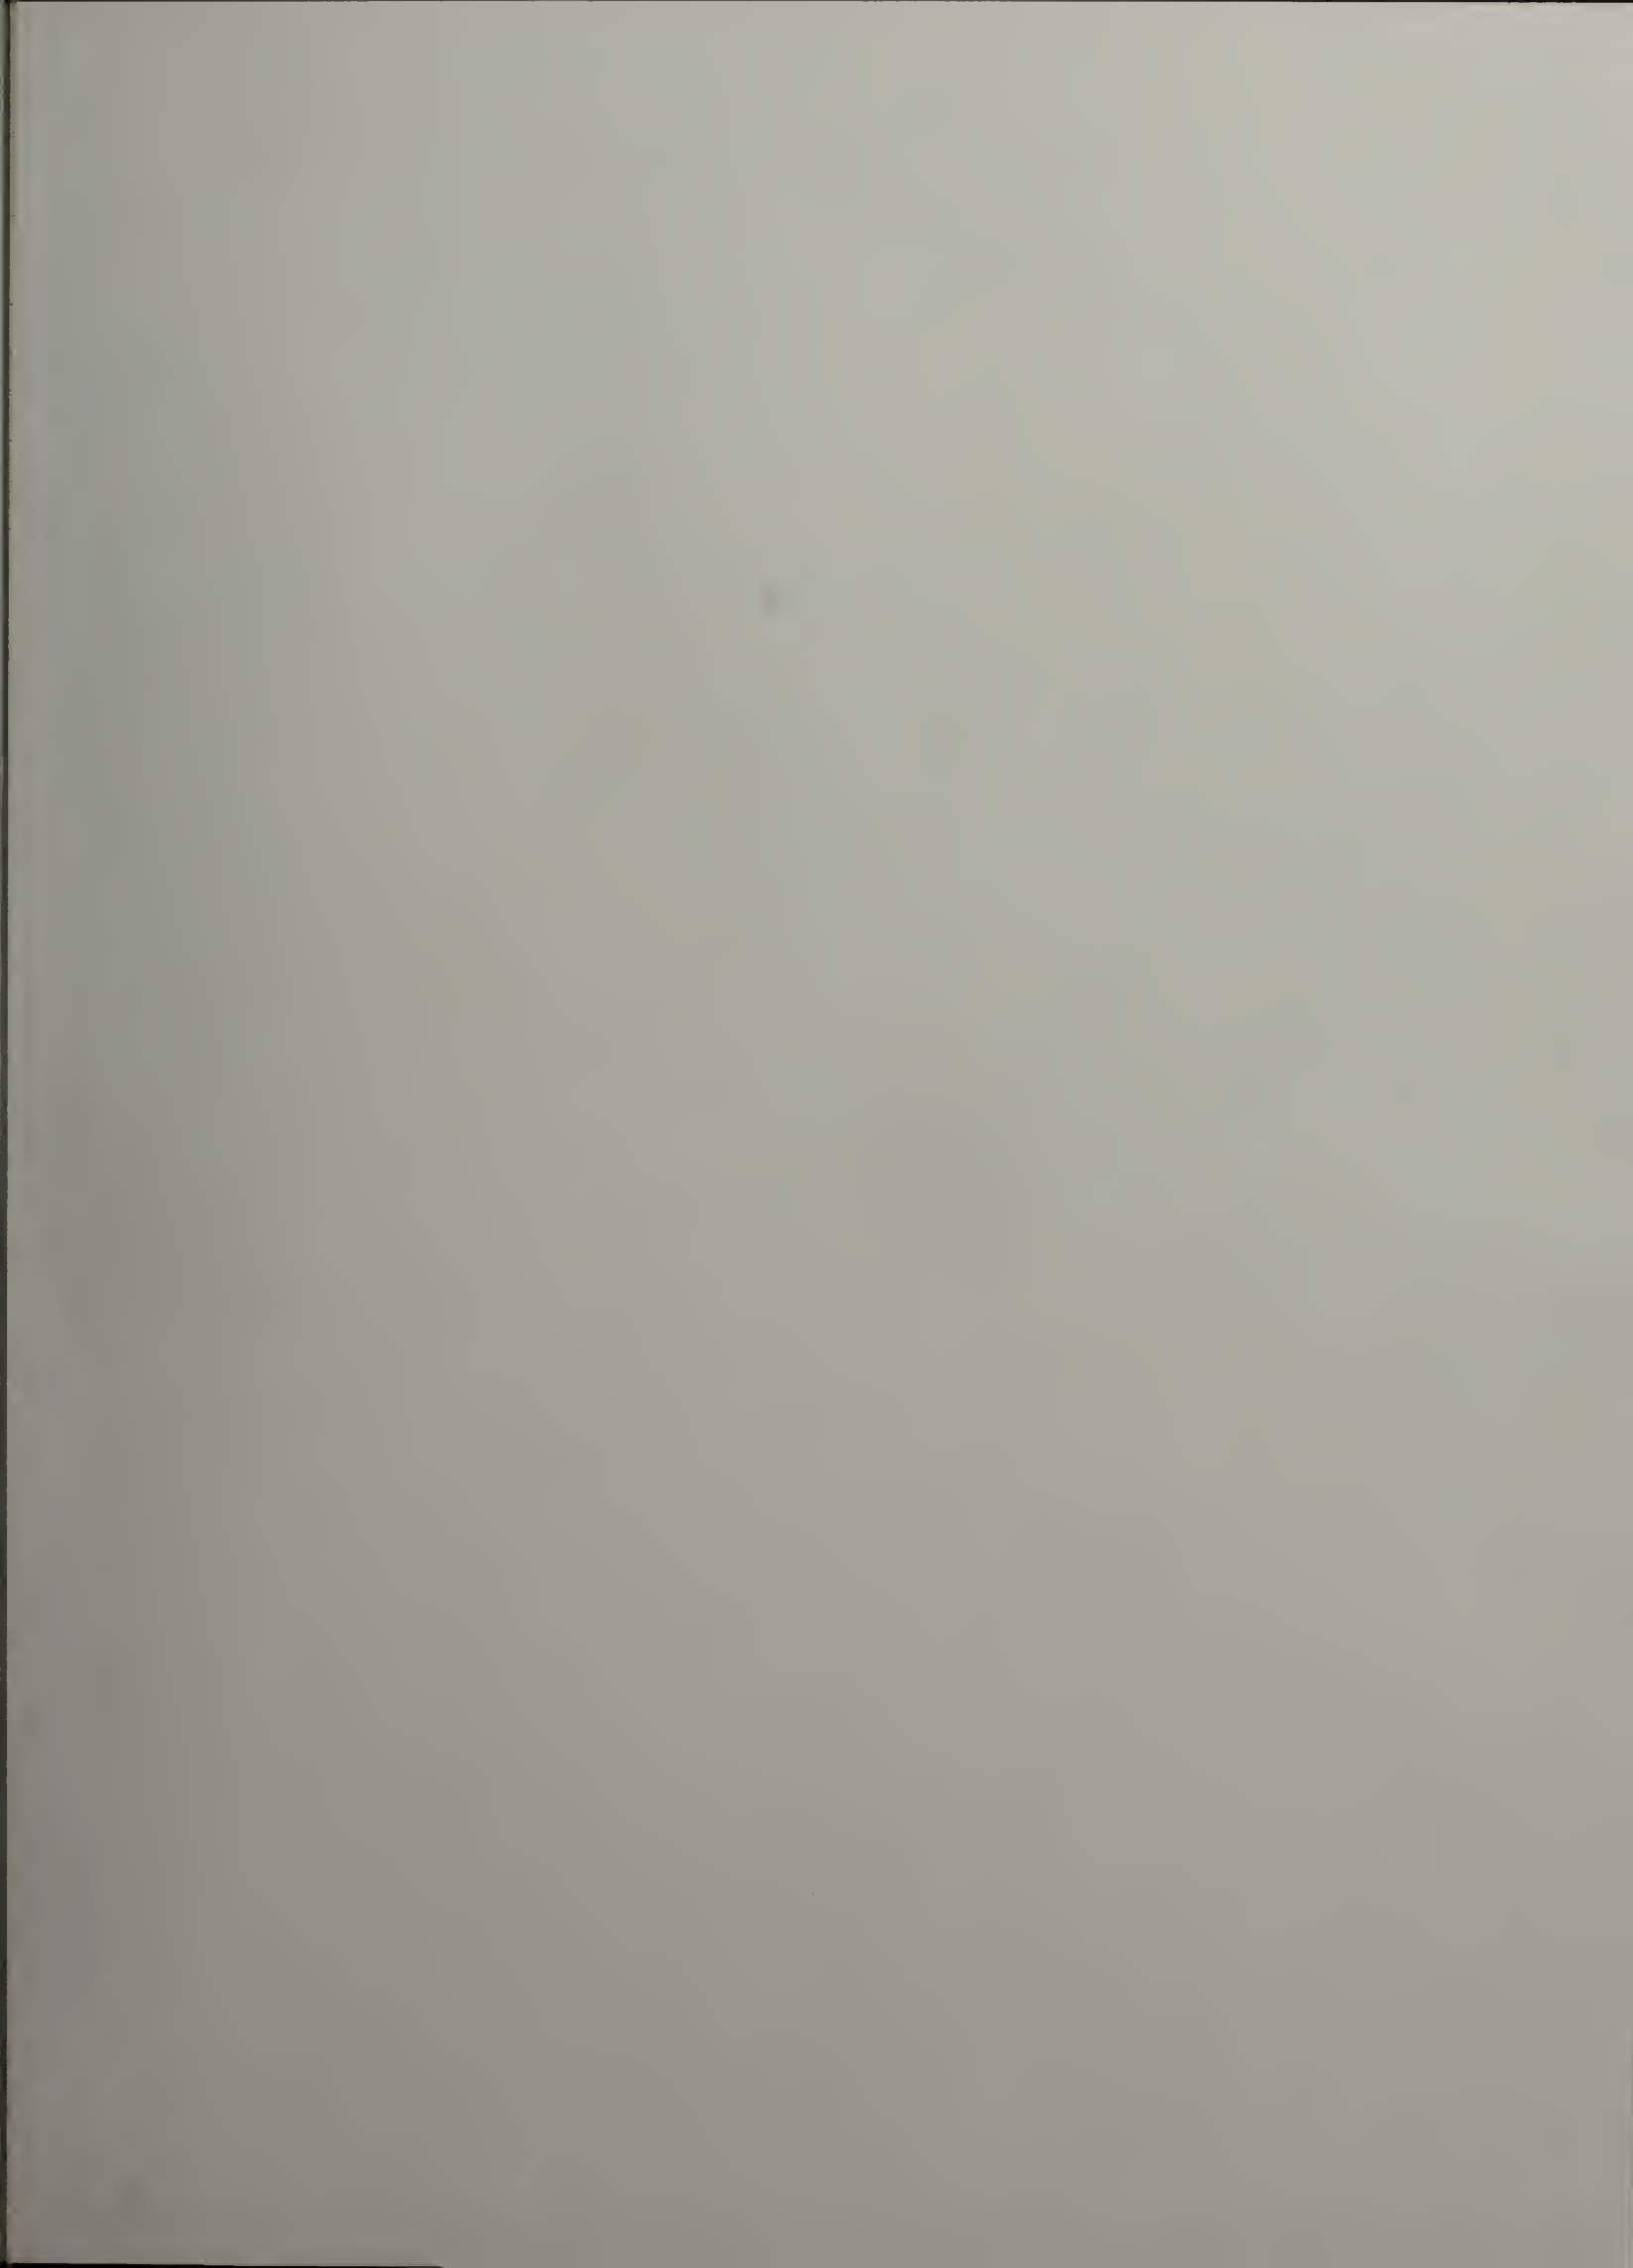

Mr. Raymond Boulais-Thank you for your guidance, support, sense of humor and also your examples of alliteration. You have been a good sport. **Mr. Don Lendry**-Thank you for always being there when we needed you, even if it was at an odd hour. **The Greniers**-Thank you for always taking great pictures of exactly what we wanted. **Mrs. Rebecca Fennessey and Mrs. Cecilia Costello**-Thank you for your constant, unselfish enthusiasm towards both the yearbook and our class. **Mr. Mitchell Kuzdzal**-Thanks for all your help and support throughout the year. **Mr. Douglas Gray, Mr. Alfred Pinciak and Mr. Stanley Kozikowski**-Thank you for always being there and for putting up with us in the office all the time. **Joel Henderson**-Thank you for taking perfect pictures and for advising us. **Mrs. Maryellen Channing**-Thanks for the moral support and for your sense of humor. **Jaime Laflamme, Jen Arbour and Donna Beaulieu**-Thanks for a great Senior Section and the enthusiasm we needed to start this project. **Jen Brady, Sharon Rabinsky and Katie Niemiec**-Thank you for all your patience and extra effort with all those names and pictures in the Underclassmen Section. **Christen Kavanaugh and Denise Depot**-Thanks for digging up all those facts for the Class History. **Keith Wilson and Laurie Pauze**-Thank you for keeping the Faculty Section organized and on schedule. **Jamie Gladu, Jen Matlasz and Cindy Barre**-Thanks for your fresh ideas about how to improve the Clubs Section. **Tara Kavanaugh**-Thanks for helping with financial matters. **Dan Lusty and Kara Kolodjay**-Thank you for your efforts in the Vocational Section. **Dara DeGray, Jessica Geoffroy and Katie Croteau**-Thank you for your creative ideas, enthusiasm, all the laughs and for hiring that sled dog team to get you to Tom's house in the snow. **Bill Riley, Brian Warchol and John Dennison**-Thanks for a great Sports Section. **The Merigans**-Thanks for your support, for temporarily abandoning the bottom floor of our house and for feeding us. We'll clean up . . . someday. **The Rakouskas Family**-Thanks for the help on the Underclassmen Section and for your support. We'd like to thank the **Academy of Music** and everyone who voted for us. **Secretaries: Mrs. Blout, Mrs. Stone, Mrs. Morris, Mrs. Pasternak and Ms. Rozell**-Thank you for always being so helpful when we needed to get another list or make another phone call. **Mr. Walter Stachura**-Thank you for support, interest and for giving us a place to have meetings after school. **Ms. Wilk and Mr. Clark**-Thanks for all your support and fundraising efforts. **Mr. Osetek**-Thanks for being so concerned. **Study Hall Teachers: Miss Georgeopolis, Mr. Midura, Mr. Bellefeuille, Mr. Davis, Mrs. Pirog and Mr. Walsh**-Thanks for allowing us to work on the book during study. **Mr. Benander, Mr. Martel and Mr. Londraville**-Thanks for allowing us to leave your classes during a yearbook crisis. **Erica Anderson, Missy Darcy, Fred Ross, Chrissy Perlak, Un-Young So, Kim Kenneson, Erin Laflamme and Jeannie Stokowski**-Thank you for lending a hand when we needed you. Although you may think that your contributions were small, they meant a great deal to us. **Christine Moritko**-Thanks for taking our job for next year. We didn't really want to come back. Thank you to everyone who got ads for us, especially **Jen Fuller**. Special thanks go out to **Jen Brady and Katie Niemiec** for not giving up on telemarketing. **Masse's Fish**-Thank you for supplying the fish for Mr. Boulais to kiss. Thanks to everyone at **Jostens**, especially **Anita and Roseanne**. Thank you to everyone who wrote stories on a half hour's notice. Thank you to all the businesses and families who took out ads. **60 Minute Photo**-Thanks for your quick service and exorbitant prices. We would like to thank **U.S. Postal service Express Mail** for allowing us to make our deadlines. We would also like to thank the **weatherman and the jet stream** for the same reason. **Coca Cola and Dr. Pepper Bottling Companies**-Thanks for all the caffeine we needed to stay awake. **Mr. Tony Petrucelli**-Thanks for identifying that picture. **Bill Riley and Kim Dooley**-Thank you for all your help and for being there when we needed to vent. **Jaime Laflamme**-Thank you for doing much more than was required of you. We would not have made it without you. Thank you to everyone who donated pictures, especially **Jen Brady, Erika Anderson, Missy Darcy, Katie Croteau and Jen Arbour**. You will get them back . . . eventually. If you're still reading this, you have just completed the required reading for the first term of A.P. English. We would like to thank the following musicians who served as an inspiration to us: **The Beatles, Eric Clapton, The Zombies, Led Zeppelin, Donovan, Smashing Pumpkins, Pearl Jam, The Moody Blues, John's Children and The Degenerate Band**. We would especially like to thank **The New Vaudeville Blues Band** for "Winchester Cathedral" (Yeah, right!) **Pam Gagnon and Heidi Sabourin**-We can not thank you enough. No one will ever be able to appreciate all you did for this book. You gave up your time selflessly and without question. We will be eternally indebted to you both. You were there whenever we needed you. Thanks for all the fun. Without you there would be no yearbook.

"And in the end, the love you take is equal to the love you make." - The Beatles
